Hey, I know things got kind of rough the last time we talked, and I'm sorry for upsetting you. I just wanted to make sure that everything's okay with you - you've been seeming kind of off lately and I'm worried. Anyway, I'm gonna be back in town for winter break so just let me know when you're free, yeah? We'll hang out like we used to and take your mind off things. I can't wait to see you again, it feels like it's been forever since the last time I visited. See you then, alright?

# GROUP CHAT

Charlie: Hey! Sorry for the big group text, but I just got into town for winter break at my dad's and haven't been able to get ahold of Alice. Just wondering if any of you have spoken to her? (90:00)

Jack: Fuck. You haven't seen her either, huh (89:38)

Evan: hey charlie good to hear youre back! no i havent actually (88:58)

Julia: No ones seen her for three days now. Im really worried (88:38)

Charlie: Haven't seen anyone since the last time I visited but yeah, I haven't heard from her (88:34)

Charlie: You don't think something might have happened to her? (88:16)

Jack: i have my suspicions sadly. she hasn't responded to my voicemail, and she usually always does (87:56)

Evan: is there anyone else who might have seen her recently? (87:34)

Julia: she wouldnt just up and leave without telling anyone, thats not like her. (87:26)

Charlie: Yeah (87:22)

Charlie: When's the last time you guys heard from her? (87:14)

Julia: No ones spoken up either way. (87:07)

Charlie: I talked to her on Sunday but then she didn't respond to the voicemail I left on Monday (86:53)

Jack: she left the house to visit a friend three days ago int he morning, that's the last time i was in contact (86:50)

Julia: I saw her Wednesday and we made plans for Thursday but she didnt show up (86:23)

Evan: yeah i saw her sometime wednesday but nothing since then (86:00)

Jack: fuck (85:53)

Charlie: Okay when exactly did everyone see her (85:35)

Charlie: School? After school got out? (85:24)

Evan: yeah i talked with her at lunch (85:02)

Julia: yeah... we hung out for a bit. she said she had plans later though (84:54)

Julia: i didnt pry but now i wish i did (84:29)

Evan: yeah she seemed...distant (84:15)

Jack: wednesday around 7 when she left for school that morning (84:05)

Jack: she never came back home (84:03)

Charlie: Ugh I knew something was up (83:43)

Evan: i dont like this (83:32)

Charlie: She seemed out of it when I spoke to her on the phone (83:27)

Charlie: Didn't want to talk about it (83:14)

Charlie: Said it was just school being stressful (82:59)

Julia: has anyone come to talk to you and your parents Jack? (82:42)

Jack: nobody (82:32)

Charlie: I assume the cops already know? (82:15)

Jack: yeah, they might have talked to my parents? i haven't really been home the past few days (81:53)

Julia: they sure arent acting like they know much. (81:17)

Evan: do your parents have any ideas about where she could be? (80:56)

Jack: no clue, they barely keep track of us (80:47)

Julia: :( (80:04)

Evan: maybe we could ask some of her teachers. i think she was close with some of them. maybe she confided in them (79:54)

Charlie: Isn't it winter break? (79:33)

Jack: yeah, we might be able to get a hold of a few of them though? (79:19)

Julia: yeah but i have contact of the counselor (79:09)

Julia: ill email her...hopefully she'll respond (78:42)

Charlie: Hopefully (78:34)

Evan: hey random question. are any of you close with bria? (78:31)

Evan: maybe close isn't the right word but you know what i mean (78:18)

Jack: not really, i've only heard about her from alice (78:04)

Charlie: I was friends with her in middle school for a while (78:00)

Charlie: But we kinda fell apart after I became friends with Alice (77:39)

Julia: oh DEFINITELY not. she seems to hate me (77:16)

Julia: but im not special, she hates everyone lol (77:08)

Charlie: She wasn't like that before (76:57)

Charlie: I don't know what changed (76:52)

Jack: shit really? the only time alice talked about her was in relation to her being horrible (76:31)

Julia: Alice and Bria used to be kiiinda friends but that was a long time ago. Alice doesnt talk abt it (76:11)

Julia: bad blood (76:05)

Evan: im just wondering bc i was thinking back and i always thought alice and briias relationship was strange (75:43)

Charlie: How so? (75:03)

Jack: yeah alice always seemed sympathetic towards bria even when she started bullying her (75:01)

Evan: well i think they were closer than most people suspected but i could be wrong (73:49)

Julia: maybe the fight was actually something big then. I had assumed it was one of those usual "were teenagers that cant handle emotions" fights :/ (72:37)

Charlie: I think it was probably related to whatever happened to Bria around 8th-9th grade (70:15)

Charlie: Bria was this super happy kid back when we were younger (70:10)

Charlie: Idk exactly when but about that time she started acting out a lot (69:48)

Charlie: Wouldn't talk to people for a week, then act like nothing had happened (69:35)

Julia: thats around the time i met alice too... was she different before then? (69:18)

Charlie: Yeah (69:11)

Julia: we never really talked, so i never knew (69:07)

Charlie: I had a soft spot for Bria back then because she was like this ray of sunshine (68:38)

Charlie: I swear she never stopped smiling (68:33)

Charlie: I miss the old Bria now that you mention it (68:08)

Jack: fuck i'm looking through my phone rn, i just saw a voicemail from her? it sounds like her crying, there's the sound of maybe a waterfall in the background (66:39)

Julia: bria?? (66:26)

Jack: no, alice (66:21)

Julia: oh thank god (66:16)

Jack: it doesn't seem like she meant to send it (66:15)

Jack: she didn't say anything (66:09)

Julia: wait when is it from (66:05)

Jack: (shit sorry the card said different) wednesday, the day she disappeared (65:56)

Julia: oh shit (65:50)

Julia: im going there (65:36)

Charlie: The only waterfall anywhere near here is in the park (65:28)

Julia: brb, will let u guys know if i see anything (64:49)

Julia: i just cant sit still (64:35)

Evan: did alice mention going to the park after school to anyone? (64:26)

Charlie: Not to me (64:05)

Charlie: I know she like going for runs on the trails there though (63:51)

Evan: oh yeah and she was super stressed so thatd make sense (63:31)

Julia: uhh we meet up here sometimes (62:57)

Julia: but guys theres blood here (62:47)

Jack: Holy fuck (62:40)

Julia: like i went to our spot and on the way, theres blood (62:36)

Evan: on the trail? (62:30)

Julia: this cant be a coincidence right (62:27)

Julia: yeah (62:23)

Charlie: I hope it is (62:23)

Charlie: But I doubt it (62:19)

Charlie: There's just too much suspicious stuff going on (62:10)

Evan: is it a busy trail? (62:07)

Evan: the rangers cant just leave blood for days right? (61:51)

Evan: does it look fresh? (61:45)

Julia: i mean what if someone just had their period or something maybe its not hers (61:34)

Julia: right (61:32)

Jack: i want to hold out hope, but i really think it might be hers (61:10)

Julia: i dont know how can i tell i mean. the snow isnt disturbed really (60:52)

Evan: thatd have to be one crazy period (60:51)

Charlie: I hate that I laughed at that (60:37)

Charlie: We need to focus on finding Alice though (60:28)

Jack: is there something nearby she could have injured herself on? (60:25)

Charlie: Does the blood lead anywhere? (60:17)

Julia: its so cold out oh my gd (60:11)

Julia: i mean, not really? i cant tell (59:34)

Julia: i cant focus (59:14)

Julia: should i call someone (59:08)

Jack: it's okay, take deep breaths, i think you should walk home right now, it's too dangerous (58:58)

Charlie: Yeah (58:46)

Julia: uhhh yeah my mom just texted asking wherw i am (58:36)

Julia: i need to go bakc but. this is important] (58:21)

Evan: ugh. talking about this reminds me of when alice broke up with ryan. she showed up to school all bloody. i wanted to kill him (58:18)

Charlie: Don't remind me (57:55)

Jack: fuck, if he's capable of that once, you think he would be capable of that again (57:44)

Charlie: I still don't understand why she dated him in the first place (57:40)

Charlie: ^ (57:38)

Evan: she accepted the love she thought she deserve (57:16)

Evan: ...or something (57:08)

Julia: speak of the devil, just got home and my mom said a "friend" is here for me and it was fucking Ryan (56:51)

Jack: he was really manipulative, he came over to our house a few times and even my fucking dad didn't like him (56:49)

Jack: holy shit (56:47)

Evan: WHAT (56:36)

Charlie: Well I'll be damned (56:25)

Julia: he kept asking if Alice mentioned him recently, as if shed care (56:22)

Julia: he really scared me (55:48)

Evan: is he still there? (55:33)

Julia: eyes all wide, insisting like she wouldve said something. getting way to close to me (55:04)

Julia: i dont think so, i mean i told him to leave but (54:25)

Julia: he did but i think only bc my parents are here (54:12)

Charlie: That's really suspicious (54:07)

Evan: whens the last time he saw her? (54:05)

Julia: he was really unsettling (53:54)

Julia: he didnt say (53:32)

Julia: i think its worth mentioning something rn, as much as i really dont want to (53:08)

Julia: i got some messages on instagram recently from this account that was like super sus, no pics, followers, anything (52:29)

Julia: just talking abt how they knew where Alice and I's spot is, something we literally told no one about (51:53)

Jack: oh shit (51:43)

Evan: woah (51:41)

Julia: saying they saw us (51:40)

Evan: did you ever feel followed? (51:20)

Julia: this was only on like monday night, i didnt tell Alice at first bc i was just so scared and didnt want to worry her over something stupid (50:51)

Julia: i was going to tell her thursday when we planned to meet up (50:32)

Charlie: That has to be related (50:11)

Charlie: Do you have any idea who those messages might have come from? (49:59)

Julia: round there, not really... I mean sometimes i feel that way but i just pass it off as anxiety most of the time (49:49)

Julia: i dont really know but sure seems like Ryan is a good candidate now with how he came to me rather than anyone else (49:16)

Evan: i might be totally off but alice did prank me a couple times. could she have been messing with you? (49:10)

Julia: itd be really shitty of her to. i dont think so (48:53)

Charlie: That seems unlikely (48:49)

Charlie: Hey I'm gonna head up to Franklin and see if maybe she left anything in her locker or something (48:25)

Evan: be careful (48:08)

Julia: dont get shoved in one charlie (47:55)

Charlie: It should be fine right? Who's gonna be there on break (47:43)

Evan: teachers who have no life (47:21)

Julia: what if halverts there and creeps up behind u (47:04)

Julia: he never leaves anyway (46:53)

Charlie: True (46:39)

Charlie: It's fine (46:36)

Charlie: I'm not near his classroom (46:28)

Evan: tuesday he mentioned something about the dagger and how its a "fine establishment" (46:17)

Charlie: The door behind the theater is always open (46:15)

Charlie: Okay I'm in (46:04)

Charlie: Jack do you have her locker number/combo? (45:47)

Charlie: Or anyone else (45:18)

Julia: number is 207 (45:04)

Evan: woahhhh does anyone else live east ? (44:05)

Evan: theres a ton of smoke coming from the east (43:49)

Charlie: Hmm okay I'm gonna just try cracking it (43:44)

Evan: the only thing down there is the barn i think (43:33)

Julia: go for it dude break it open (43:31)

Julia: oh yeah i see the smoke (43:25)

Julia: Oh Fuck thats a Lot (43:12)

Evan: im checking it out (43:01)

Charlie: Got it (42:59)  
Charlie: Man the tolerances on these lockers are garbage lol (42:52)  
Evan: whatd you see charlie? (42:48)  
Charlie: I should've been breaking into all of them freshman year (42:44)  
Julia: evan be careful (42:41)  
Julia: ...for what charlie (42:24)  
Charlie: I found a crumpled up card for the nightclub (42:17)  
Charlie: That's odd (42:12)  
Charlie: Why would that be in Alice's locker (42:07)  
Julia: ummmm (42:06)  
Charlie: There's nothing else inside (42:04)  
Charlie: No backpack or school stuff at all (41:49)  
Julia: thats weird (41:46)  
Julia: she usually keeps her books in there (41:36)  
Evan: ok the smokes def coming from the barn. im almost there (41:27)  
Charlie: Do you know how many pranks I could've pulled if I knew the lockers were this easy to get into? (41:18)  
Julia: oh i thought u meant for crimes (41:05)  
Evan: yes charlie thats exactly what we should be pondering rn. (40:44)  
Julia: what if someone took alices stuff? or did she take it bc she thought she needed it?? (40:14)  
Jack: the snow's keepin the fire department from responding easily, this seems purposeful (39:38)  
Charlie: Maybe she was taken on the way home from school? (39:24)  
Evan: guess who i just ran into outside the fire (39:05)  
Charlie: Oh no (38:53)  
Jack: shit (38:49)  
Julia: what.... (38:46)  
Charlie: Ryan? (38:25)  
Evan: CJ is here but has "nothing to do with the barn being in flames" (38:02)  
Julia: WTF (37:52)  
Charlie: Clearly (37:47)  
Evan: i think he deluded (37:43)  
Evan: hes freaking me out (37:34)  
Evan: he keeps talking about alice (37:26)  
Charlie: What (37:20)  
Julia: literally one of the most suspicious people in a suspicious place at a suspicious time (37:15)  
Charlie: Why does he care about Alice (37:15)  
Julia: wait thats terrifying, alice specifically? (36:39)  
Evan: well i asked what he was doing here and he said "what are YOU doing here" and i said looking for alice (35:56)  
Jack: he's so fucking creepy dude get out of there as soon as you can, i'm 90% sure he's been fuckings pying on alice

and i through our windows (35:32)

Evan: i dont think quick and my anxiety is killing me (35:30)

Charlie: ^ (35:22)

Charlie: Just leave (35:20)

Charlie: We don't know what might happen (35:10)

Evan: i left but he tried offering me a ride home (34:55)

Jack: shit (34:43)

Evan: omg ive never felt more uncomfortable (34:37)

Julia: ew wtf im so glad u said no (34:32)

Charlie: You drove there right (34:23)

Charlie: Can you get out (34:17)

Evan: nah i took my bike (34:12)

Julia: hes tried that with girls before i've heard, bad rumors (33:51)

Charlie: Yeah (33:45)

Julia: wouldnt be surprised if he was gonna hurt u somehow (33:42)

Jack: are you out of there or do you need an excuse to not get a ride with him? (33:25)

Evan: it was odd that he was the only one there from what i could see (33:17)

Charlie: Hey I'm gonna go check out the train station (33:14)

Jack: it might be good if he leaves and you stay for you to explore (33:11)

Charlie: Leaving an empty locker means she took everything with her (32:57)

Charlie: Maybe she really was trying to run away (32:48)

Julia: good point (32:45)

Jack: she was, , getting a little bit of money recently (32:27)

Julia: i mean...u dont really think so, right? (32:25)

Evan: idk how an entire barn starts on fire but im not about to question that creep (32:20)

Charlie: Money? From where? (31:57)

Jack: um well my mom i guess (31:46)

Jack: she works at the diner across the road (31:35)

Charlie: Guys (31:16)

Charlie: Alice's car is parked here (31:15)

Charlie: Well (31:14)

Charlie: "parked" (31:11)

Jack: FUCK really (31:11)

Jack: shit (31:09)

Julia: what (31:08)

Charlie: It's been gutted (31:01)

Charlie: No tires (30:56)

Charlie: Stuff missing from under the hood (30:48)

Evan: at the train station? (30:43)  
Julia: is there snow on it?? how long has it been there?? blood? (30:30)  
Charlie: Train station parking lot, far end from the station (30:26)  
Charlie: No blood as far as I can tell? (30:18)  
Charlie: Snow on it yes (30:11)  
Jack: how close is the train station to the park? (30:05)  
Julia: im going to try to convince my parents to let me come (30:05)  
Charlie: About as much as on the ground (30:03)  
Charlie: The car's been here for a while (29:58)  
Evan: that seems weird that she would drive there since she lives so close. could it have been stolen? (29:41)  
Charlie: I don't know (29:31)  
Charlie: It seems like the car was just left here because there was nowhere else to put it (29:15)  
Evan: didnt ryan have a spare key to the car? (29:15)  
Jack: yeah (29:07)  
Jack: he did (29:06)  
Charlie: Guys (28:54)  
Julia: the police are at my fcking door (28:50)  
Charlie: The trunk is open (28:47)  
Jack: holy shit and holy shit (28:42)  
Julia: theyr talking to my parents?? (28:41)  
Julia: asking abt ryan, i think theyre trying to track him down (28:24)  
Charlie: There are a ton of broken/empty bottles in the trunk (28:18)  
Jack: shit, , ryan really loved to drink and drive (28:08)  
Charlie: You think he stole the car? (27:53)  
Jack: i feel like he did (27:46)  
Julia: they went to his house apparently but are looking for him (27:30)  
Jack: fuck that means ryan is definitely up to somehting (27:19)  
Julia: they found alice's bag (27:14)  
Evan: before wednesday? could she have had to walk to school cuz he took her car? (27:12)  
Julia: in his house (27:10)  
Jack: FUCK (27:00)  
Charlie: ^ (26:52)  
Julia: they say he took her (26:37)  
Charlie: I believe it (26:33)  
Charlie: Do we know where (26:31)  
Julia: no i dont know (26:20)  
Jack: why would ryan be looking for her if he knew where she was? (26:07)  
Charlie: Bad attempt to cover his tracks? (25:50)

Jack: possibly? (25:46)  
Charlie: I don't remember him having a lot of good ideas (25:31)  
Julia: maybe hes in denial (25:26)  
Julia: im going to kick his ass (25:13)  
Jack: same (25:10)  
Jack: i'm gonna search the park again, dw i'll bring a knife. i don't trust the cops to get there fast enough (24:34)  
Charlie: Be careful (24:20)  
Jack: i will (24:17)  
Charlie: But yes I think we should try to find Alice (24:15)  
Charlie: Especially now that we know for sure something happened to her (23:59)  
Julia: he was talking like i had info he needed or that i could tell him where to find her. maybe hes drunk or in denial or just an idiot i dont care (23:52)  
Jack: fuck , i think i'm being followed (23:47)  
Charlie: !! (23:31)  
Julia: uuuuhhh are uok? (23:08)  
Jack: i can't tell who it is? if it's someone scrawny i CAN kick their ass but still (22:56)  
Julia: im trying to sneak out but my parents are acting like im going to go missing next (22:41)  
Julia: freaked out he came here (22:23)  
Evan: are there any other people in the park whod hear you should you be attacked? (22:16)  
Jack: i don't think so, the trail is pretty empty (22:06)  
Julia: jack take ur knife out either way like this is too real (21:58)  
Jack: i didn't hear anything, it's just the feeling you get (21:56)  
Jack: i will (21:52)  
Julia: jack are u alive? (20:23)  
Jack: i'm okay! (20:19)  
Evan: any signs of struggles? (20:04)  
Jack: i yelled a bit while moving the knife around and i heard a twig snap and hurried footsteps so i think they ran away (20:02)  
Charlie: Didn't run into a bear or anything right (19:59)  
Charlie: Might have been an animal? (19:47)  
Jack: nope (19:46)  
Jack: SHit you guys (19:39)  
Jack: i've tracked her phone (19:33)  
Jack: fuck (19:23)  
Jack: it's at the nightclub (19:21)  
Julia: omg doesnt that mean itson (19:17)  
Charlie: Someone turned it on (19:06)  
Jack: shitt (19:02)

Julia: she could be ok (19:00)  
Jack: okay , i think she's there (18:57)  
Jack: someone has to go there (18:52)  
Evan: someone else could have her phone (18:24)  
Julia: i dont think ill pass as 21 but i dont care ll kick the door down if i have to (18:20)  
Jack: don't leave until you find her (18:05)  
Jack: she has to be there (18:01)  
Julia: i dont care if it isnt her at this point (17:15)  
Julia: i need to try (17:11)  
Jack: you can do this (17:06)  
Charlie: Okay (17:06)

# CHARLIE/EVAN

Evan: what was bria like in middle school? did you know her at all in early highschool? (74:56)

Charlie: She was super upbeat all the time (74:09)

Charlie: It's what drew me to her in the first place (73:59)

Charlie: But we had a falling out of sorts around the time high school started (73:43)

Charlie: I haven't talked to her much since then (73:25)

Charlie: For a while I had a bit of a thing for her, you know? (73:00)

Charlie: But something must have happened to her (72:44)

Charlie: She got a lot quieter and would get upset easily (72:27)

Evan: well alice told me something about bria but i didnt really believe her (72:01)

Evan: screw bria but like i feel like i shouldnt start spreading rumors ya know? (71:28)

Charlie: Yeah, I respect that (71:07)

Charlie: Do you think it might be related to Alice going missing though? (70:57)

Evan: well the stuff she said that bria was tied up in was dark. really dark. like sinister so there a def possibility (69:54)

Charlie: What kind of stuff? (69:16)

Evan: im not superstitious ok but like she said she was possessed or something. like she had dealings with the devil (68:10)

Evan: alice said she was preyed upon and then spent a lot of time at the dagger and got messed up with the wrong people (67:35)

Evan: then when she got out of it she shunned alice because she knew everything that happened (67:13)

Charlie: That's awful (66:43)

Charlie: It would explain why Bria changed (66:19)

Charlie: Ugh I hope she's doing alright (66:09)

Charlie: Both of them (66:07)

Evan: me too (65:51)

Evan: but yeah that stuff about bria kinda freaked me out (65:33)

# JACK/JULIA

Julia: hey, jack. i noticed u said u havent been home much recently, u doing ok? (74:00)

Jack: I've been super fucking worried about Alice, she always responds to me when I message her but she hasn't yet.

I've been hanging out at my moms dinner for most of the day, I cant bring myself to trust anybody (68:36)

Jack: i also just really don't want to see my dad, you know how he gets (68:02)

Julia: yeah, i think i understand. I'm sorry (67:33)

Julia: I cant stop refreshing social media, watching the news, just waiting to hear anything at all (66:56)

Jack: I'm just so worried, we had this huge fight on Wednesday morning, and I'm so concerned that I was the one that made her want to leave (62:58)

Julia: I'm sure its not your fault. She loves you (46:20)

Julia: she talks about you all the time (46:11)
